WHY DO I CHOOSE THIS FIXTURE ?

Versace was often described as the "Rock n' Roll designer" because they designed for many famous clients, including Elton John and Michael Jackson, as well as the most beautiful women

PROP DESIGN

WILL THE CUSTOMERS LIKE IT?

So our job is to create desire, almost so that the customer feels like he or she needs it and keeping it simple and attractive, customers will definitely like it as we all know, customers like simple and attractive things. Classy resemblance of the brand evokes a feeling of comfort even in the formal wear. and marketing is the engine of desire.

The background features a light beige, textured surface with a central vertical band of a repeating geometric pattern. To the right of this band is a large, intricate, embossed floral or scrollwork design. A solid black horizontal bar is positioned across the middle of the image, containing the text 'THANK YOU' in a white, serif font.

THANK YOU
